

## EXHIBIT B – RATE SCHEDULE

Customer agrees to a pay as used model. Under this model, Contractor will invoice Customer for actual hours worked in half hour increments according to the following three tier rate model:

| CONSULTANT TYPE   | RATE  |
|---|-------|
| Functional consultants  | \$175 |
| Security consultants  | \$165 |
| BASIS Infrastructure<br>Development consultants (incl. BW/BOBJ) | \$155 |

These rates are valid for 1 year and thereafter shall not exceed the standard hourly rate generally charged by Vendor to its customers.

For any assignments mutually decided to be performed on-site it is expected that that the consultant assigned to the work will be working and charging for 8 hours per day while working on-site on Customer service/task orders.

### EXPENSES

Any assignments mutually decided to be performed on-site would include reimbursement for travel expenses per the then current County travel policy, at actual cost, not-to-exceed the maximums, and subject to the least expensive means of transportation. Current maximum travel reimbursement rates as of the date of initial agreement are as follows:

Lodging: \$150/day

Meals: \$54/day

Mileage: \$0.56/mile

Common carrier: Actual reasonable cost
